## Lee County Court

Court of General Sessions Adjourned Since Die Thursday

Bishopville, Sept. 25.—This court convened here last Monday with Judge Bowman presiding. Owing to the absence of a stenographer, very little was done the first day. It will be remembered that Mr. L. E. Wood had tendered his resignation to Judge J. S. Wilson some time last May, but by some means a new stenographer was not appointed till last Wednesday, when Mr. D. R. Stack of Columbia received the appointment and appeared Thursday morning. In the meantime however, Mr. W. L. Marshall of Sumter was secured for Tuesday, but could not stay but one day. Mr. L. E. Wood was appealed to, to come over and relieve the situation, which he did and court moved on smoothly and it looked natural to see the old standby at his table. He stayed two days till Mr. Stack got initiated. When Mr. Marshall left and not knowing that a regular stenographer had been appointed, when the murder case was called Wednesday morning, all the jurors not on that case were dismissed, as the murder case would consume two days.

There were only one or two cases tried by jury. The case of C. L. English against the policemen of Bishopville resulted in a mistrial.

The case of Mene Smart for killing his wife and his wife's brother was tried Wednesday. The solicitor was assisted by McLeod & Dennis and the Judge appointed Messrs. Tatum & Jennings and C. B. Ruffin for the defense. The defense put up a plea of the unwritten law and that the accused was subject to epileptic fits. The testimony consumed all Wednesday, and the four speeches of the lawyers took up the forenoon of Thursday. The jury was out but a short time, returning a verdict of guilty with recommendation to mercy, which gave him a sentence to the penitentiary for life. No further cases, as all the jurors had been discharged, court adjourned sine die.

A marriage license was granted to Mose Jackson and Annie Williams, colored, of Hartsville.

## Tamassee School

D. A. R. Institution For Mountain Girls

The school for mountain girls, established by the D. A. R. of South Carolina, at Tamassee, in Pickens county, is doing a splendid work in a section where such work is badly needed. To increase the efficiency of this school by giving a larger fund for working basis is the aim of the D. A. R. throughout the state. For this purpose Sumter's home chapter will have a card party on the afternoon of October 7. Remembering the success of their former efforts, the members of the chapter are hoping that their friends will again help them in this attempt to raise funds for so worthy a cause.

The time, place, and price of admission will be announced later.

## Dots From Police Court

That the police of Sumter are active and close in behind the auto speeders is evidenced by the fact that already this month 43 speeders have been brought before the court and convicted. The fines from the speeders alone has netted the city \$635.00. Parties have reported that they can now travel the back streets without fear of being run over.

Officer Chandler and "Police Ford" are on the job.

This morning two speeders were caught on Manning Avenue and told to appear in court. They said they were on their way to Columbia and in quite a big hurry (which must have accounted for their rate of speed). Their bonds of \$10.00 were forfeited as they made no appearance in court.

Two colored boys, Mose Ballard and James Winn, decided to test their skill and ability in the use of cutting instruments last night at about eight o'clock on Sumter Street. What the quarrel was about is as yet unknown but as a result of the affair both boys were pretty badly cut. One having a cut which required eleven stitches and the other received two fairly generous slices, one on his arm and the other on his leg. On account of the condition of the boys the case could not come up in court this morning. They are allowed a week at most in which to recover from their injuries.

## Milk For School

## Children

Efforts are being made to perfect arrangements for the introduction of the provision of milk for the pupils of the primary building. One of the first things, of course, will be the procuring of a suitable refrigerator. The superintendent is in correspondence with the Bureau of Government supplies and with refrigerator companies. In the meantime, he will appreciate any information whereby a refrigerator large enough to meet the demands may be procured.

## Defeat in First Game

Sumter High School Loses Football Game to Camden

The Sumter High school football team lost its first game of the season to the Camden High school yesterday afternoon in Camden. The score was 6 to 0. The game was a poor exhibition of playing, both sides lacking the push and vim which constitutes good ball. Burns' inability to punt at a very critical turn of the game probably lost the chances of the game for the Gamecocks.

The S. H. S. boys announce a return game with Camden on next Friday and they promise to give the visitors just what is coming to them.

## SERIOUS ERROR IN SUMTER.

Sumter Citizens Will Do Well to Profit by the Following.

Many fatal cases of kidney disease have reached an incurable stage because the patient did not understand the symptoms. Even today in Sumter there are many residents making the same serious error. They attribute their mysterious aches and pains to overwork, or worry, perhaps, when all the time their rheumatic pains, backache and bladder irregularities are most probably due to weak and ailing kidneys. If you are ill, if your kidneys are out of order, profit by this Sumter resident's experience. Mrs. G. H. Thdale, 13 Saratoga Street, says: "A good many years ago I had trouble with my back and I surely was in misery. My head ached and I was all unstrung. I had dizzy spells and I felt tired and languid. My kidneys didn't work right and it worried me until I read about Doan's Kidney Pills and began using them. One box of Doan's cured me of all the complaint and I haven't had to use a kidney medicine since."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Tisdale had. Foster-Milburn Co., Mfrs. Buffalo, N. Y.—Adv. (78)
